The 1982/83 Court Statistics Annual Report contains general data on the activities of the Supreme, County, Surrogate and Provincial Courts and the Sheriff's offices on a three year comparative basis. Where possible, charts have been included to provide a graphic view of the caseload in each court level, with tables showing the inflow and outflow of cases through the courts. The data included in this report have been updated wherever required, as some data may not have been available during the year when the quarterly reports were printed.

The report is divided into the following sections, with the inflow and outflow of cases tabled:

COURT OF APPEAL

SUPREME COURT

- Criminal Cases
- Civil Cases

COUNTY/DISTRICT COURT

- Criminal Cases
- Civil Cases

SURROGATE COURT

PROVINCIAL COURT

- Criminal
- Provincial Offences
- Family

SHERIFF OFFICES

The court offices gather a great deal of detailed information, which, because of volume, cannot possibly be included in a report of this kind. However, upon request to the Information Centre, data will be provided.

A couple of notes concerning the Provincial Court (Criminal Division) are required. On March 31, 1981 and on March 31, 1983, the staff in the court offices did a physical count of pending charges under the CCC and NCA/FDA statutes. The results are found on pages 69 and 71. The pending charges figure represents the number of active charges; it does not include charges on outstanding bench warrants.

The second note concerns the number of charges received under Municipal Bylaws by the Metropolitan Toronto court offices. On April 7, 1982, a new parking bylaw was introduced which affected the number of incoming charges. The volume of incoming charges was replaced by the notices of pending summons mailed out. Although the number of charges received in 1982/83 was drastically reduced, the workload of the court office was not affected. Instead of receiving a high volume of new charges, 898,428 notices of pending summonses were mailed. This figure accounts for the difference in charges received between the last two fiscal years. Of course, the number of dispositions for 1982/83 is very high in comparison to charges received as the courts are dealing with the backlog of parking charges from previous years. The information on Municipal Bylaws is found on page 81 of this report.

Any questions and/or comments regarding the contents of this report are welcomed.
